The Long Pointer

Many thanks to our volunteers who participated in this year's Beach Clean-Up Day!

We are very grateful to **all** who volunteer in our community! Long Point is fortunate to have people who are willing to pitch in and help where needed - with raking, grass cutting, beach clean-up, social activities, repairs and maintenance jobs at the hall and boat ramp, and serve on committees and on our Board of Directors.

Show your support by participating in our Community Association!

The Long Point Improvement Association (LPIA) wants to thank the 150 dues-paying families for their support of the Association for 2010. The LPIA provides for boating, swimming, picnicking, group activities at the hall, a sign at the hall for announcements, beaches and a boat ramp.

The Association amenities enhance the property values for all homeowners. Join your neighbors in the Association to assure community assets remain available to all homeowners in the community.

Boat Ramp News

Ramp Committee members will be available for one hour prior to the June 14th General Meeting to accept your registrations. In addition to your LPIA membership and boat ramp dues, you must provide original boat, trailer, and vehicle information at the time of registration.

Please read your boat ramp agreement carefully before signing it. It is a privilege to use the ramp and it is your responsibility to abide by the rules and regulations. The Ramp Committee will be monitoring the ramp daily for violations, and we ask that you show consideration for others when using the boat ramp this summer.

To allow access to Cornfield Road residences, only one vehicle with a boat trailer at a time is permitted to wait on Cornfield Road to use the ramp. Overflow parking for trailers with stickers is on median strip of Magothy Road and across Grandview on Twin Beach Road. **All others will be towed.**
