We are all looking forward to spring and warm weather, as we all like to take advantage of our beautiful beaches and boat ramps! Spring is right around the corner!

Our Board will be doing a community walk around to see what condition the beaches and community properties are in to prepare for the coming summer season. If you have any concerns, please contact a board member. We are aware there are beaches that need a major clean up and will be addressing that in the coming months.

I want to begin to communicate the need to enact our community Munson deed, which states all homes in the community are to be paying dues. This has never been enforced in our history, but we are at a point in our community where we need to consider this. We all lead very busy lives and a majority of our volunteers are getting older and not able to do some of the heavy physical work required to maintain our community. So, our very small pool of volunteers is shrinking. As of July of 2014, we have 138 members out of 400 homes. That is about a third of the community who is shouldering the responsibility of the expenses involved in keeping our community beautiful and adding value to our homes. IT NEEDS TO BE EQUITABLE among everyone who lives here. It will also allow the community to do more with better funding and EVERYONE will have a voice to help make those decisions.

More information will be forthcoming as to this change. I know everyone living in Long Point wants this to be a desirable, beautiful community and this is the avenue to do that.

Happy Spring!!

Jen Adams
