Hello Neighbors!

Greetings Neighbors and Friends!

Spring is around the corner and I'm sure everyone is anxious to get outside and plant gardens or read in a hammock. Our community is gearing up for beach time and boating. We will be scheduling a beach cleanup in May and would welcome any helping hands to get them ready for the warm weather. We would also like to spruce up the hall grounds with flowers, planting of some grasses, and general clean up if anyone would like to offer their talents and assistance in making the hall look as beautiful outside as it does inside.

We are continuing our work with our by-laws, but it is a laborious process. We feel it will be greatly beneficial to the community once it is completed. We hope to have the newly organized by-laws ready for review at the September meeting. This is a reorganization of our existing by-laws, not a creation of new ones.

I have been reporting on the sale of our property on Coralie Court. Unfortunately, we continue to address a clerical error with the deed that needs to be corrected before we can go forward. We are diligently pursuing a resolution. Additionally, I emailed or sent a letter to all community members to inform them that we have a small piece of land on Shoreside Trail that is for sale only to adjacent neighbors. It is very small and located very close to our well used Shoreside Trail beach property.

The social committee has been hard at work to offer activities that appeal to all age groups. Please share your ideas so we may know what would interest you and your family. Look for outdoor movies when the warm weather arrives!

And finally, please, please join your association. It is all of you that allows us to make this a beautiful place to live and have access to the water, but it requires financial support. It is a very small fee of 50.00 (25.00 for seniors) to join, support your community, and have a voice in decisions made in YOUR neighborhood. Membership forms can be found at www.longpointonthemagothy.com or contact any board member to get a membership form to you. Thank You!!

Happy Planting!

Please do not park on roadways with signage that says? "No Parking"! Examples of this are Long Point Road and Gibson Rd. Long Point has a bike lane and Gibson Rd. is narrow and large vehicles can't fit down there. Cars will be towed.
