Spring is Here!

We are getting ready to get into full swing around here! New things are coming and Covid needs to take a back seat!! Are you ready to finally get back out there and enjoy your community? Well, you're not alone! We have some exciting things planned so please keep your eyes and ears open.

Be sure to check out our Facebook page (<https://www.facebook.com/Long-Point-on-the-Magothy-392340762138>) for upcoming events and our website is also up and running so be sure to check it out at Longpointonthemagothy.com for updates.

We would love to see you at all our events that we are planning! Suggestions for new and/or returning events are always welcome. Volunteers to help run these events are a **must!!** We can't do these awesome events without your help! Please give up some of your free time to help our community feel like a family, once again! Don't hesitate to send an email to our newest Board Member, Jennifer Perez, at Moya.perez86@gmail.com or Tricia Roe at Triciaroe9@gmail.com to ask for ways you can help make our events a success!

Some new things have happened! Have you checked out the new boat ramp!? Your contributions to this community have made that possible! A giant limb broke off our very old Long Point Hall tree and so we did some pruning and also removed some trees that were dead on our community properties. Those annoying gumball trees by the boat ramp are next on the list!

We apologize in the late release of our newsletter! Again, all of these things are only possible with volunteers within our community. We hope that this hiccup has not been too much of a hindrance to you and we will strive to be punctual the next issue.

See you soon!

~Jennifer Perez

February's Chocolate Bingo

Board Member, Tricia Roe, helped orchestrate LPIA's Chocolate Bingo back in February on the 9th. Our community members had a fun time and everyone was a winner! Thank you to those for coming and helping to make it memorable! It was a lot of fun and laughs! Especially when those little bingo balls kept rolling away! We always appreciate Tricia's hard work in helping to plan these social activities! We are also always happy to accept volunteers for events such as these!

LPIA Classified Section

LPIA wants to start a Classified Section!

This community is in need of a classified section! What if Fido went missing, but you wanted to make sure it was heard loud and clear? What if you and your significant other wanted to go out to dinner and your babysitter called out sick? Where are you going to find a babysitter on such short notice? What if you are selling your 1979 Pontiac Firebird and can't seem to find a buyer? Well, here at the Long

Pointer, we want to make it possible for the community to be able to easily ask for help in regards to any matter. Send us your info to Moya.perez86@gmail.com and we will post it on the next issue of The Long Pointer and even the website.

Boat Ramp During Construction

New Boat Ramp

The boat ramp committee has been busy with the construction of a new boat ramp, which was completed in January of 2022. The contractors, Coastline Commercial Marine Division, did an amazing job. We are still working on some other improvements in the coming weeks. See you on the water!

~Jen Adams

Boat Ramp Registration is **open** April 26, May 17, and May 24 from 6pm - 7pm at The Hall.

The New Boat Ramp

LPIA Easter Egg Hunt

The Annual Easter Egg Hunt is under way! April 10 from 2 - 4pm is when you should be at the Hall for crafts, activities and, of course, the Easter Egg Hunt! Please RSVP with Tricia Roe so that she can make sure there are enough snacks, and activities for the children. 410-371-1710

LPIA Beach Clean Up

Please come and join us for our annual beach clean up. We will meet here, at the Hall, on Saturday, May 7th, at 9AM. We will have some delicious doughnuts available, just bring your drink of choice to wash them down. Bring your gloves, sun hats, and any tools you think you might need. We plan to start at Magothy Road Beach. There are some tree limbs that will need attention with a chain saw, which I will bring. Please come and join us

to help keep our community beautiful and have conversation with your neighbors. Hope to see you there!

~Bill Schmelyun

LPIA Craft and Vendor Show

Long Point Improvement Association is hosting a Craft and Vendor Fair! Come out and enjoy spring with your community and help support Long Point! There will be food and drinks and over 30 vendors spread out inside the Long Point Hall as well as outside! This is a Rain or Shine event! Proceeds from the event will benefit the Long Point Community! If you are a vendor then please contact moya.perez86@gmail.com! We

would **love** for this event to get lots of foot traffic so please spread the word to your friends and relatives who live near or not so near our community. We will have jewelry, hand sculpted walking sticks, nautical art, custom apparels, crochet, wine glass art, custom tumblers, upcycled floral arrangements, Scentsy, Paparazzi, ColorStreet, purses, homemade BBQ and much, much more!

Last Newsletter:

Because of the lack of volunteers, this may be our last newsletter for awhile. I do not want to have The Long Pointer become lost in a sea of memories. I have heard stories such as someone who was 10, at the time, who hand delivered every newsletter to 400+ homes back in the 80s. What wonderful commitment. So if you are a high schooler who would love to tackle the duties of news reporting and editing or maybe an adult with some free time then please send us a message so we don't lose The Long Pointer forever.

"Building a better community by bringing neighbors together."

Farewell Bob, Hello Lisa and Terence

As you may or may not know, Bob Johansen was with LPIA for many years and was a tremendous help running the Hall! He did a lot that no one knew about and did it all without grumbling. He had a lot on his plate, but continued to do it all for his community. He has since moved and LPIA worked hard to find new Hall Managers. We were lucky to find Terence Davis and Lisa Laffoon (locals who also live in the community) who wanted to throw their hats into the ring. They have their own ideas on how to run the Hall and we can't wait to see what will be in store for this community. If you would like to rent the Hall, please send an email to longpointhall1534@gmail.com and for prices please visit our website at longpointonthemagothy.com!

Volunteers Needed

As you may have read already, volunteers are needed to run these next few events LPIA is trying to orchestrate. Tricia could use some helpful hands for her Easter Egg Hunt, our Beach Clean Up could use some muscle, and our Craft and Vendor Show could also use some assistants. Please reach out to your LPIA Board Members with whatever you can help out with. Everything and anything is appreciated! If you would like to do more than just volunteer then consider attending a board meeting and become part of our committee.
